

WEEK 4

Growth Group Opener:

Think of an experience or time in your life when you felt truly and unconditionally loved. Share with your growth group, if you feel comfortable.

Read: 1 John 4: 7-12

The variety of love referred to throughout this passage is the word agape. Agape love is an unconditional kind of love.

Verse 8 tells us that God is love, God is agape. What does this mean?
What effect does this have on the way you see him?

If God is love, every part of his behavior and character are in harmony with his essence of love, including his discipline, his wrath, his judgment, etc.
How can this be?

How is living in harmony and alignment with God's love possible for believers?
(See v.9 and v.12).

How could being a participant in, and conduit of, God's love affect the way we internally channel all of our own emotions, character traits, and decisions?

How could being a participant in, and conduit of, God's love affect the way we internally channel all of our own emotions, character traits, and decisions?

How would this kind of alignment with God change us and how we move in the world?

How would it change the way we externally interact with others?

What might you need to shift in your life and practice to open yourself up to experience more of God's love, as well as embody it?

What can we learn about God from this passage?

Is there anything you feel the Holy Spirit nudging you to look at more closely?

Prayer:

Father, thank you for loving us unconditionally. May our relationship with you, the way we abide in you, shape us so deeply that your love is visible and perfected in us. May others know that we love and follow you by the way we love them. In the name of Jesus, amen.
