

Our Company Affects our Character

Growth Group Opener:

Can you think of an example, either in real life or a movie, where someone got involved with the wrong crowd and become a different person??

***Read: 1 Kings 11:1-6; 1 Kings 12:1-11; 1 Corinthians 15:33-34;
1 Corinthians 10:13***

How does the concept from 1 Corinthians 15 play out in both passages from 1 Kings?

How did God provide an out for both Solomon and Rehoboam before they made their poor decisions?

Can you think of a time when the Lord provided a way out, but you chose the wrong path anyway? How might the people around you have influenced your decision?

What does Paul mean in 1 Corinthians 15:33-34 when he tells people to wake up from their drunken stupor?

Is there anything in your life that you've become numb or desensitized to, that God is calling you to wake up from? How did that thing become normalized in your life?

What reason does Paul give for needing to waking up? What is at stake?

What can we learn about God from these passages?

Is there anything you feel the Holy Spirit nudging you to look at more closely?

Make It Personal:

There is a theory that you are the sum of the 5 people closest to you, that you spend the most time with and/or take advice from. Take some time this week to evaluate who those 5 people are for you, and really look at where they lead you. Do you need to make some adjustments, or add in some different influences who might point you in a different way? Pray that the Lord would make it clear to you.

Prayer:

Father, you are so good and so kind. Thank you for always providing a way out for us when we are faced with temptation. Lord, lay bare the things that we have gotten used to that you want us to wake up from. Give us spiritual community that can help us discern the right way, and make good decisions. Help us see the big picture: that a world that needs you, needs to see you in us.
In the name of Jesus, amen.
