

**Opening Question:**

**Without naming names, have you ever known someone that presented themselves as a strong person, yet when the smallest inconvenience occurred, they would absolutely lose their mind?**

***Read: Matthew 7:24-29***

How is hearing the words of Jesus and obeying them like building a house with a solid foundation?

What does it look like to build our lives on the foundation of Jesus' teaching?

How can someone's life or faith collapse when it is built on an unstable foundation of worldly values?

How can weathering one storm prepare us for another one down the road?

**From the locations of each facet of the storm, the flooding from below, the rain from above, and the winds from the side, we see that sometimes we are pressed from every angle.**

Have you ever felt like you've been bombarded from all sides?

How did you get through it?

If you're still in it, how can your group come alongside you and add support?

What can we learn about God from these passages?

Is there anything you feel the Holy Spirit nudging you to look at more closely?

**Prayer:**

***Father, thank you for your faithfulness, your consistency, and your reliable goodness. Thank you for providing a foundation we can build our lives on that cannot be shaken. Help us to hear your words and put them into practice in our lives. In the name of Jesus, amen.***
